OSSAA PHYSICAL FORM (UPDATED APRIL 2026)

PHYSICAL EVALUATION FORM AND PARENTAL CONSENT

No student shall be eligible to represent his/her school in athletics or marching band until there is on file with the school a physical examination and parental consent certificate.

All physicals for OSSAA participation must be given no earlier than May 1 of the preceding year in which the students are to participate and before the first day of practice in that student's particular activity. The physical will be valid from the date of the physical given until the next required physical. Parent(s) or guardian(s) must sign the parental consent form each year before the student participates in any organized athletic practice session including contest participation.

The pre-participation evaluation form is designed to identify risk factors prior to participation by way of a thorough medical history and physical examination. A qualified physician, physician's assistant, or an advanced practice nurse covered by professional liability insurance shall give the physical examinations.

1. The most current version of the OSSAA PPE form should be used; any other form used must contain a minimum of the information requested on the OSSAA PPE form.
2. The PPE Form must be signed and completed in its entirety. No pre-signed or pre-stamped forms will be accepted.
3. SIGNATURES
   - ❑ The person administering the PPE's signature must be hand-written and dated. No signature stamps will be accepted.
   - ❑ The parent/guardian signatures must be hand-written and dated.
   - ❑ The student-athlete signature must be hand-written and dated.

I have examined the student named on this form and completed the preparticipation physical evaluation. The individual does not have apparent clinical contraindications to practice and can practice in the sports(s) as outlined on this form. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).

My HeartCheck

PREVENTATIVE
Youth Heart Screenings

WHY have your child tested?

Every year, more than 40,000 children are born with a heart defect. While some are found at birth, many go undetected. Even more concerning, certain conditions don't appear until later in childhood or adolescence—when they can lead to sudden cardiac arrest without warning.

That's why early detection is critical.

My HeartCheck was developed with guidance from the Mayo Clinic and Johns Hopkins to identify hidden heart conditions before they become serious. In fact, our screening program is one of the most advanced and accessible options available today.

Based in the Kansas City area, we proudly serve families across **Kansas, Missouri, Iowa, Nebraska, Oklahoma, Texas, and Colorado**. We've screened over 18,000 kids—and that number continues to grow.

Ultimately, if there's a way to prevent tragedy, wouldn't you want to take it?

Don't wait. Schedule your child's HeartCheck today. MyHeartCheck.org
